

Merit Badge Library

Though intended as an aid to Boy Scouts, Varsity Scouts, and qualified Venturers in meeting merit badge requirements, these pamphlets are of general interest and are made available by many schools and public libraries. The latest revision date of each pamphlet might not correspond with the copyright date shown below, because this list is corrected only once a year, in January. Any number of merit badge pamphlets may be revised throughout the year; others are simply reprinted until a revision becomes necessary.

If a Scout has already started working on a merit badge when a new edition for that pamphlet is introduced, he should *continue to use the same merit badge pamphlet to earn the badge and fulfill the requirements therein*. In other words, the Scout need not start all over again with the new pamphlet and possibly revised requirements. Please contact your Merit Badge Councilor or Adult Leader with any questions

Merit Badge Books in GREEN are available to borrow from Troop 29, See Librarian or Adult
